David--

Thank you for your too kind words which were a greatly welcome addition to my healing and rehab. My word of advice is to watch where you step and stay grounded!

It's an honor to serve the President w you and I'd enjoy spending some one-on-one time just comparing notes and catching up in the next weeks. All the best, Hillary

Hillary:

I have hesitated to email because I'm sure you are being inundated with good wishes. But I just wanted to tell you how sorry I was to hear about your injury. It sounded horribly painful.

I hope you will allow yourself to rest and recover. You are an all-star player, and we need you for the long run!
