Subject: Schedule odds+ends

There is an Oct 16th George Marshall event at the Department. Do we have it on tentative calendar?

Have we scheduled a Sept event for all the groups doing econ and other work w Palestinians? Mara Rudman is working on it for Mitchell.

Starting in Sept I want to have a weekly lunch/mtg w Steinberg and one w the undersecs. I also want to schedule for early Sept, hour mtgs w each bureau to dscuss priorities.

When can I visit FSI?
