[REDACTED]

We were judging the candidates for the Swanee Hunt Award which goes annually to a FSO and a FSN judged superior for integrating women's issues into their work. They are nominated by ambassadors at posts or AS's here.

I called her because we had a tie for the FSO's and I wanted to see if she'd provide a second monetary award so we wouldn't have to divide the \$5k. She agreed and then told me [REDACTED]

State will fly in the awardees and the Secry usually gives out the award. Swanee is hoping that she'll be able to come and be there for the brief ceremony.

I thought you'd want to know.
