Jack, Cheryl and Jake: I wanted to flag for you a challenge to manage. [redacted] as we were drafting the Somalia paper, for State to make a recommendation and to know if the Secretary had seen/cleared the paper. I was very careful to equivocate, noting that this document had been reviewed on the 7th floor with D Lew, D Steinberg and P Burns staff all at various meetings and constantly saying (as the paper does) that these are decisions that [redacted] will need to take jointly understanding all of the repercussions.
