If this is an important message we can highlight in her speech today. I'll consult here, Cheryl, if you can follow up with Jose.

Hrc's message so far has been brilliant. She has shaken up the status quo with her blunt comments on drugs. She is building valuable capital with Mexicans. In a future visit she must challenge Mexicans, especially students, to help strengthen their institutions. She can commit to stand with them as they do so by lending a helpful hand.....
