B6

Also - Ann is sending the number of people you have to include for the KC Honors dinner at the State Dept. She confirmed they pay for the evening but was reluctant to commit to decorations - she will check.

I spoke to Ann and she sd that you always have the Trustee box to use in each House.

She cannot hold a box for The Secretary of State use only not - bt can further discussions with KC on this

She advises that we need to give advance notice -

There are 4 seat in the Eisenhower that are complimentary and then 4 that would need to be purchased for nominal fee (seems like a really silly policy) The same for Opera and in the Symphony there are 12 all complimentary. I think if we begin to use the box on a regular basis we can work with them on the cost issues.

This could be a lovely way to serve many special guests.

Let me know if you want to begin a process of reviewing the KC calendar and start a list of recommendations to invite.
