Brooke

Thanks for the update. I appreciate it. I think we are in as good as place now with all things considered as we can be on Sudan

Given the materials your team is seeking to prepare her, I wanted to re-raise this expectation to see if there was any different expectations on your team.

Thanks.

Hi Cheryl,

Just wanted to give you a quick note on where we are for trip.

Speech is still a work in progress – I will send you a draft as soon as we have one that's presentable. Been working with NEA/Mara and others. Deeply appreciate all the help.

Susan will talk with Mitchell tomorrow. Obviously, our trip not focused on MEPP, but they are talking just to make sure that we are synched up.

Got a readout from Erica on Sudan meeting. Sounds like it ended up in a good place.

Let me know if there's any additional info that would be helpful.

Hope you are well.

Brooke
