Subject: Statement on settlement moratorium

Per the plan, a statement is being released in your name. This is the same statement you saw in the memo package from Mitchell:

Today's announcement by the Government of Israel helps move forward toward resolving the Israeli-Palestinian conflict. We believe that through good-faith negotiations the parties can mutually agree on an outcome which ends the conflict and reconciles the Palestinian goal of an independent and viable state based on the 1967 lines, with agreed swaps, and the Israeli goal of a Jewish state with secure and recognized borders that reflect subsequent developments and meet Israeli security requirements. Let me say to all the people of the region and world: our commitment to achieving a solution with two states living side by side in peace and security is unwavering.
