Cheryl or Huma, this message bounced back from [hr15@att.blackberry.net](mailto:hr15@att.blackberry.net), which is the only email address I've got for HRC. Can you please make sure she gets it? Best wishes of the holiday to you both. Strobe

Hi, Hillary, and Merry Christmas. Hope you and the family are getting a bit of respite from it all. I'm sending you this message because—somewhat to my surprise—Jairam Ramesh has asked me to pass along a personal message, which is pasted below. I've known him since the 70s [REDACTED]

Cheers, Strobe

Dear Madam Secretary of State:

It was wonderful catching up with you in Copenhagen. The opportunity to interact with President Obama and you at the very last minute to salvage the Copenhagen Accord at the US-BASIC Summit Meeting was fantastic and unforgettable for me personally. I am still reeling from that historic 75 minutes!!

With greetings for Xmas and best wishes for the New Year,

With warmest regards,

Jairam Ramesh  
 Minister of Environment and Forests  
 India
