Yes working with Anne-Marie we have developed an outline and concepts for your speech which will be at the East West center helping to mark their 50th anniversary. The idea will be to advance some of the points the President made in his Tokyo speech. [redacted]

[redacted] Speechwriting is working on a draft based on some building blocks but we will need decide where and whether to be specific on issues such as EAS. [redacted]

Best Kurt

Are we still planning for me to deliver a speech laying out our strategic overview of how we see Asia organized and the US role in the 21st century in Hawaii on 1/12 on way to Australia and NZ? If so, is there an outline? Will we meet to discuss early next week?
