**INSTRUCTIONS FOR CALLING EMBASSY PORT-AU-PRINCE:**

The Haiti landline telephone system is not operating, so dialing the Embassy directly using the landline network will not function.

**For mobile phone service:** Callers may call "011-509" followed by the 8-digit number. However, it may be necessary to call the number more than once in order to connect.

**For callers using a landline connection from Main State:** Call using the IVG line.

**For all other callers using a landline connection from the U.S.:** Call one of the following numbers for a VOIP connection:

- 202-446-1619
- 202-446-1617
- 202-446-1613

The telephone operator will answer (after hours Post 1 will answer) and your call will be transferred.
