B6

To long standing conflicts that may appear far from resolution, ethnic and social divisions, peace is possible, and the US will never give up and always play constructive role -----Original Message-----

How would you frame the relevance? I'm copying Jake Sullivan who works w me on this.

Shaun just called (7 pm EST) to report 100 percent unanimous support in DUP for Peter Robinson's recommendation to complete devolution. The deal will be agreed with the two PMs at Hillsborough tomorrow morning, 8:15 am (London time). If you wish you may call Shaun. You can reach him through No. 10 Downing St switchboard. Gordon will mention your role tomorrow at the event. Hooray! Sid
