Subject: [redacted]

I just got off the phone with [redacted] and she does not want to be on the International Joint Commission US/Canada because it is a full time job. PPO has suggested to me that they would like her to [redacted]
[redacted] She was very happy with that when I told her. So we moving forward with that Board appointment for her.

Regarding the IJC, PPO says they have 3 choices for the position. I asked them (in an email) who they were because Secretary Clinton has a great interest in the position. They have not gotten back to me on that.

We don't have a second choice. Would you like me to make a call to [redacted] and see if he is interested?

Thanks. Steve
