Subject: Mrs Reid and Lana update

Senator Reid's wife, Landra, and daughter, Lana, were involved in an accident earlier today. They are being treated at a Washington-area hospital. While driving on a Washington, DC, highway, their vehicle was rear-ended by a semi-truck.

[REDACTED]
 Senator Reid has been to the hospital and appreciates the support he and his family are receiving from Nevadans and his colleagues in the Senate. We will keep you posted
