There was a call last night around 10pm with: Jack Lew, Amb. Merten, Bob Hormats, Lael Brainard (not sure whether Gen. Keen was on it).

Feel free to give me a call if you want more of what I know.

All,

Embassy has determined this is a priority. Need to know as soon as possible requirements for MIL Air and security detail especially on the ground. Embassy is finding out status of Central Bank and storage capabilities.

Thank you,
Joanna
