Subject: If you get a chance it wd be great to raise the integrated power issue re the PSD w/ Sec. Gates

He advances a powerful vision of integrated civilian power w/ State and USAID under you in his Foreign Affairs article. I don't think you need to get into the State/AID details w/ him, but it wd be great to give him a heads up that you think that the PSD as written moves toward 3 separate pillars of defense, development, and diplomacy rather than reinforcing the integrated power frame of the Nat. Security Strategy. AM
