I think the speech approach makes sense but I need to see a draft to respond. I'd like to get it tonight and have a conf call on my drive to a wedding tomorrow around 2:30 to discuss.

I'll work on that.

A few things:

1. Big debate

2. Talked to Tom this am about [Redacted] and think we're okay there.

3. We are working with the NSC on

4. Your Latin America speech.

Dan K-P has worked up a pretty good draft along these lines that we'll get you later today, if you are comfortable with this approach.
