Thanks, Gertie, for the very sweet effort. I know such great women, lucky me.

Hillary even put a hand written note at the bottom. Very nice.

I sent the news about your retirement to HRC and she suggested the letter. She was, as well she should be, impressed with your accomplishments, Dee. And now 108 meetings without an absence—amazing.

Betsy,

Hillary's letter of congratulations upon my retirement arrived in yesterday's mail. You are SO thoughtful. Thanks for thinking of me. I will frame it and hang it in my new home office and think of both of you when I see it. Please extend my appreciation to Hillary when you talk to her. I'm going to share the letter with our board members tomorrow during my last board meeting. (As an aside, I have never missed a board meeting and there have been 108 of them since the Foundation was started in 1996!)

Love,
Dee
