**Subject:** meeting with the Danish Foreign Minister

You are scheduled to meet with the Danish Foreign Minister on Friday. The Danes are interested in partnering with the US on a side event at the Kabul

Conference focused on Afghan women. I think this has potential and I'll raise with SRAP, but wanted you to know -- in case it comes up in your meeting.

When I met with a couple of the Afghan women who participated in the recent peace jirga, they told me that it would send a very strong message if a large group of women representing Afghan civil society could meet with you when you are in Kabul for the conference. I don't know if it will be possible to arrange such a large gathering, but perhaps something significant can be arranged.
