Subject: Final Proposed Version of Gates/Mullen Memo
Attachments: 2010-05-9 nonpaper re Gates Vision.docx

Attached and below is a memo drafted to address the competing visions of development and in particular, the role of State/USAID. It was drafted before we sent the memo on the PSD.

I'm not certain it still has applicability as a separate memo though providing it to Gates and Mullen to see if they agree and if so, they provide additional support for the vision

After you review, let me know your thoughts on whether and how we should deploy it.
