B6

Thanks for the chat yesterday, Hillary. With Martin's and Bruce Jones's help, I'm working on that one. Will get back to you.

On a very different matter—and that's why I'm cc'ing Cheryl and Jake—at some point when it's appropriate and convenient, I'd welcome a chance to give you—either directly or indirectly via C and/or J—a strongly held (and widely shared) view about the issue of UN leadership and the timetable therefore. Zero rush.

Hope it's a genuine weekend for you (whatever that means, grading on curve).
