IRAN

- Iran sent its letter to the IAEA. Does not address our broader concerns about enrichment.

CONGRESSIONAL ISSUES

- Focused on the Supplemental this week. Will be a host of amendments, only some of which will be debated.
- Admiral Mullen sent a strong letter to Speaker Pelosi and Majority Leader Ried stressing the importance of fully funding State and USAID, noting that to do otherwise puts peoples' lives at risk.
- Senate will take up the Defense Authorization Bill. Senator Levin thinks he is close to having the votes to end "don't ask, don't tell."

LEGAL ISSUES

- Harold is off later this week to Uganda for the ICC review conference.
- On Friday, DC Circuit Court said that none those held in Bagram have habeas rights. Unanimous decision. There is a loophole, however, if individuals are being held in a zone of conflict for the purpose of avoiding judicial review.

PUBLIC AFFAIRS

- PJ said he thought we had done well in the press on the lifting of sanctions against Russian entities.
- In terms of the growing drumbeat of criticism of the Administration for its handling of the oil leak in the Gulf, PJ thought the failure to accept more foreign offers of assistance (BP has accepted two) will be an issue.
