Subject: FW: Billions of aid dollars buy U.S. little goodwill in Pakistan

FYI, I am forwarding you a message I just sent to Raj about the article in today's Washington Post.

B5

He and I agreed to work closely on this issue. I have asked INR to get us some research on the security issue which the implementing partners frequently raise  Note the comment in the Post about the security situation.

As you know we are moving forward on the broader branding issue and plan to have a team of experts advise us as we move forward.

I will keep you posted.

Raj:

Hope the trip went well. You may have already seen the attached article but in light of our recent conversations I wanted to forward it on to you.

Please know that I will help you in any way I can to deal with this situation.

Look forward to discussing it further when you return.
