**Sent:** Thu Aug 26 17:55:37 2010  
**Subject:** 8/26 Meeting Readout

Pat chaired today's meeting with the regional bureaus – here are highlights:

**E** Russians still backtracking on poultry agreement; will recommend S re-engagement with Lavrov. Rich Verma predicted spillover on New START prospects.

**NEA** Yemen publicly reacted harshly to WP story on prospective use of drones against al-Qaeda operatives. Good Iraq DC (reported separately on high side) – Jeff Feltman will meet with VP Thursday.

**EAP** Japanese parliamentarian Ozawa making bid for DPJ leadership; [redacted]

[redacted] Jim S/Kurt at offsite with Cui Tankai.

**S/GC** SSCI minority staff is visiting European capitals and warning against accepting Gitmo detainees.

**SCA** Indian lower house of parliament passed bad nuke liability legislation; goes to upper house Monday. Indigenous producers leading the protest against it; Bob Blake recommends leaving it that way publicly to avoid nationalist backlash.

**WHA** Moving to adult dependents only at Mexican border posts/Monterrey because of violence.

**IO** Ban ki-Moon will formally welcome NATO logistical support in Pakistani flood relief.
