John--

All concerned bureaus at state have cleared. I've sent to Jim as well but haven't heard back yet. I think it's safe to circulate.

The language on others' actions should have been sent last night. Unless Jim feels strongly, I can live with it in the q and a.

I'm told this has broken into the press, so we're asking pa to join at 1.

Proposed timing looks good to us.

Glad you connected with her. Others are looking at it, but it looks very close to me. [Redacted]
