Both Mubarak and Abdullah are strongly supportive of our current, short term approach. Mubarak sees Abbas Tues and will advise him to maintain in public and at Sirte that he is ready for direct talks in the right circumstances, and Egypt will support him. Abdullah of same mind, but focused on making sure Abbas makes the right presentation. Abbas was pulling up to compound as we were pulling out. I plan to get readout [redacted] said the task at Sirte would be easier with 'something' more to work with.
