Subject: Your speech on the Mideast

Madame Secretary,

On Wednesday, you're scheduled to give a 15-minute talk at a gala hosted by the American Task Force on Palestine, a moderate, pro-peace Palestinian-American organization. Here's a quick overview of our plans for the speech, which we developed with NEA. Please let us know if you have any reactions.

The audience in the room will include Palestinian-Americans who are influential in their communities: lawyers, doctors, business leaders, etc. Of course, a much larger audience beyond the room will read this speech as well. This is your first opportunity to address this issue in a serious way since the end of the moratorium.
