B6

Dear Counselor Mills:

Please convey to the Secretary my most profound thanks for her contribution to the 'It Gets Better' video series. [redacted] appreciated deeply her actions on behalf of the LGBT community within the Department and USAID, and this latest statement--that gay youth can count the Secretary of State among their supporters-- is a moving and powerful message for our country.

Again, my thanks,

Kevin McGlothlin
Team Lead, Economic Growth and Environment USAID/Mexico
