Subject: (Reuters) Car bomb explodes outside Northern Irish court

BELFAST (Reuters) - A car bomb exploded outside a courthouse in the Northern Ireland border town of Newry on Monday, police said, in the latest of increasingly frequent attacks in the province. Police were in the process of evacuating people from the area when there was a large explosion in a car which left the vehicle ablaze close to the courthouse gates, a spokeswoman for the Police Service of Northern Ireland (PSNI) said.
