I will talk to Don Gips this afternoon. From the traffic, I get the sense that DCM Helen La Lime has been frenetically engaged with the South African MFA.

For now, Hormats and Lew are negotiating with Treasury. It may be that over the weekend or Monday you need to make two calls -- one to Geithner and one to Lowey. But that moment hasn't arrived yet.

Johnnie - she has a heads up on call.
And we heard they've pushed the request back a day to discuss tomorrow.
