Hi Lona, I just saw the S video for Mother's Day: After nearly 10 years of working for the Department, this ranks as one of my proudest, most fulfilling moments of serving as a Foreign Service Officer.

Clearly I'm not the only one who has made these sacrifices or who has these frustrations; Secretary Clinton has heard our struggles (indeed has gone through her own struggles as a professional mom!), and she truly gets it.

I just wanted to tell somebody, and I remembered your name from the women's conference in December. Forgive this long message. Happy Mother's Day, and congratulations on working with such an incredible person.

Regards,

Kristin
