I haven't seen the draft communique yet. I will see it today.

[ ] is the guy that Eikenberry wouldn't allow to see Karzai - you and Leon and others had to fix that.

B6

I talked to [ ] last night - pushed the issue. Told them it was in their interest as much as ours to include RCH. [ ] is in bilat but not the lunch and RCH is in the lunch but not the bilat. I said, can't you add a chair in the back corner - they weren't moved.

B5

Before you call [ ] let me go back to them today.

Who knew that who sits in which meeting would occupy so much of our time!

Richard – the Palace called an hour before the NSC this evening and said that they had received a call from State Ops informing them that SEN Graham wanted to speak to President Karzai, subject unknown, and relayed that President Karzai wanted me to clarify.
