The Secretary's Call Sheet for  
Indian Finance Minister Pranab Mukherjee

Purpose of Call:

[Redacted]

B5

Points to Raise:

[Redacted]

Background: It was reported in India Friday that a Parliamentary Standing Committee report sent to the Indian cabinet was amended in a manner that effectively created -- by removing the word "and" between two sensitive clause: B17 (a) and (b)) -- an additional, non-contractual path to liability, rendering the draft bill CSC non-compliant. The impor 1.4(D) industry, both American and international, of this three-letter word cannot be overstated. GE and Westinghouse have told us they will not enter the Indian market if the bill is not CSC-compliant. [Redacted]

[Redacted] The recommendations of the standing committee report are being drafted into the bill, a copy of which we have not yet received. (The bill should be tabled in parliament on Wednesday, August 25.) [Redacted]
