Fyi -- anything we can do to confirm a meeting for the Bahraini King [redacted] would be great. He's seeking week of June 8. But if not then, then another confirmed date. With Ali Abdullah Saleh and Qatari Amir coming, it would be good to have this locked in.

Subject: Shaikh Khaled on King's Visit Date -- Week of June 8, Please!

I know we sound like a broken record, but am passing a very special request from [redacted] from my meeting with him today. The Bahrainis would very much like to secure a meeting [redacted] for the King the week of June 8, when the King is coming to Washington to attend the graduation of his son Nasser from the Marine Staff & Command College in Quantico. [redacted]

[redacted] If that week cannot be accommodated, we really need to provide the Bahrainis with firm alternate dates.

Shaikh Khaled is still looking at the week of March 28 for his own visit to DC. Can we confirm the Secretary's availability? The FM will also seek meetings on the Hill.

Will report the substance of the meeting on the other system but quick summary: [redacted]
