The situation here is uncertain. The Arab Follow Up committee met at 1pm today and had a "positive" outcome, which the Pal PR reported to Ramallah. [redacted]

[redacted] Thereafter they met with the Brazilian UNSC president. At 5pm, the full Arab Group met, and it [redacted] He later confirmed directly to me that was their position. They will await, however, the Pals decision tomorrow and see if their instructions remain the same or change.

The Pals and Lebanese said "the process was moving ahead slowly but not surely". The Palestinians will reach a decision in the morning. [redacted]

Both the Lebanese and Pal PRs said [redacted]

1.4(B)

[redacted] They strongly recommended additional SENIOR level outreach to both in the morning.

S asked Bill to call Saltanav and the Jordanians because of her day today. I would recommend that Senator Mitchell call Hague and Alliot-Marie.
