+ Oni.

J - It looks like we only need call sheet for S-Gilani per Cameron's email. But can you also incorporate Cameron and Mary Mitchell's changes to the letter and pass to Dan as the final? Please copy both Oni and me on the call sheet and one of us will finalize if that happens after you are out of pocket. Thanks!

I will put together our call sheets for Z, G, and N within next couple of hours. Post - I can add in any early input you send to me, or will send drafts to you.

I need to be away from the computer/house from about 1 to 8 pm today, so would be great if someone else from the Desk can pick up if there are still edits coming in.

So to briefly review the bidding at OOB EST Sun, as we were in a holding pattern in DC for much of Sat.

Does this seem accurate, especially from Post?

B5

What else? Happy to jump on a call if this is easier to discuss by phone, though perhaps email is better given security concerns.

Cameron - we're trying to sort thru best timing on Nawaz. Need to clarify our position on compensation and our path forward first, right?

+ SRAP colleagues.

Cameron – To make sure you had what you need in advance of meeting Gilani tomorrow, I pulled the following points from an document that Mary Mitchell circulated earlier. I think they provide all the material that you are looking. The full document is attached. Hope this helps.
