I wanted to flag for all of you some of the incredible engagement our Dubai Hub has been doing on Arabic media today. There is a huge thirst for US officials communicating our message in Arabic and this is precisely the reason we have media hubs. Using material from the Secretary's speech in Geneva, Ambassador Rice's engagement yesterday and the many statements from the last few days, Hub Director Jennifer Rasamimanana has granted a slew of challenging interviews. For anyone who has ever done a 25 minute interview, just imagine doing it in Arabic!

These are from today alone.

Sabah Al Yom Ya Arab (MBC), 25 minutes  
Al Jazeera English, 7 minutes  
Sawt Al Arab Radio (Egypt), 5 minutes  
ONTV (Egypt), 5 minutes  
MTV (Lebanon), 20 minutes  
ANB (Dan Ernst interview), 5 minutes
