B6

Dear Hillary,

I hope you are taking care of yourself while you are taking care of the world. If you can find the time, I would like your assistance. *The New York Times* is interested in writing a profile about the Child Mind Institute and me. Are you available to speak with the reporter, Abby Elin, on my behalf? If so, I would like to give someone in your office her contact information to set a time to talk. (Don't forget to tell her what a great dancing couple we are.)

For your convenience, a brief overview of the Child Mind Institute's current work is attached.

Thank you once again. I look forward to hearing from you.

With my warmest regards
Harold
