Jubbe is out for tomorrow - he's traveling back from cairo.
 So he's asked for monday afternoon.
 Will get sharaf scheduled. And there's a secure fax coming this morning with some more background.

it is not
 I sent it as a contingency because I was told you mentioned you might want to do. I can schedule if you want to do.

Subject: Saudi Arabia bans all protest and marches (Reuters)

RIYADH (Reuters) - Saudi Arabia has banned all protests and marches, state television on Saturday cited the Interior Ministry as saying after Saudi minority Shi'ites staged small protests in the oil-producing eastern province.

Security forces would use all measures to prevent any attempt to disrupt public order, state news channel al-Ekhbariya said in an alert without giving details.

NewsTickers alert senior Department officials to breaking news. This item appears as it did in its original publication and does not contain analysis or commentary by Department sources.
