Subject: Fwd: WP: In Afghanistan, U.S. shifts strategy on women'

B6

I will be spending the next many days taking calls from reporters and Hill on this.

The problem is that women aren't see as part of the solution, just as the "senior official" put it in the report as a "special interest or pet project."

WP: In Afghanistan, U.S. shifts strategy on women's rights as it eyes wider priorities
