**Subject:** Connect/placed a call 2 u. Know ur pounding sched. Call when u can. In meantime

Sorry we couldn't talk much [redacted] But u were terrific ur remarks and just coming--- [redacted]  
[redacted] Knowing the world pressures u r dealing with + ur jaw dropping travel-----the senate is a whirlwind sea with many oars in water---no rudder nor navigational chart. More when we talk----- also. Kay. Bailey wants " to do something 4 middle east women--- eg a codel n a special democracy fund. Be aware she voting AGAINST our approPs. ---- on another key item----- want 2 also take this oppt to strongly rec. Wendy. Sherman 4 Undersec of. Political Affairs. Know u have many considerationn candidates but I think WS would be great. Not cause she's my friend but that she's a world class pro. Would be Absolutely Loyal to. YOU n the Administration. Is enormously competetent. Policy/politics(intl n domestic). Easily confirmed. -----know u will have some flashing lights. N happy to discuss them w/u. [redacted]----- this rec is based on me wanting u to have someone w/ indisputable credentials and proven loyalty and you know---- enough said for now. talk soon.
