**Subject:**

Women across the political spectrum approve the way Clinton is performing her job as secretary of state. Democrats approve 94 to 0 percent, Independents approve 81 to 9 percent, and Republicans approve 54 to 18 percent. Liberals approve 98 to 0 percent, moderates approve 84 to 4 percent, and conservatives approve 63 to 8 percent. Women believe that Hillary Clinton has made improving the welfare of women and girls a higher priority in U.S. foreign policy, 60 to 24 percent.
