

RELEASE IN FULL

From: Gordon, Philip H <GordonPH@state.gov>
Sent: Friday, September 2, 2011 10:10 AM
To: H
Subject: Kosovo

One thing I failed to mention (in the spirit of looking for good news for the weekend) is that Serbs and Kosovars have apparently agreed on a customs stamp and restoring bilateral trade. That would be a big breakthrough and a sign that Serbia is willing to do the right thing in the name of keeping EU prospects on track.

Have a good weekend. Let's stay in Paris longer next time.
