Subject: Re: Health fy 13 budget numbers - ignore previous message

Cheryl,

Margie and I spoke w Rob and think he and Mike will figure this out.  
The issue is how we get credit for the esf against these categories. So you can ignore the message below for now and we will try to handle!

Thx

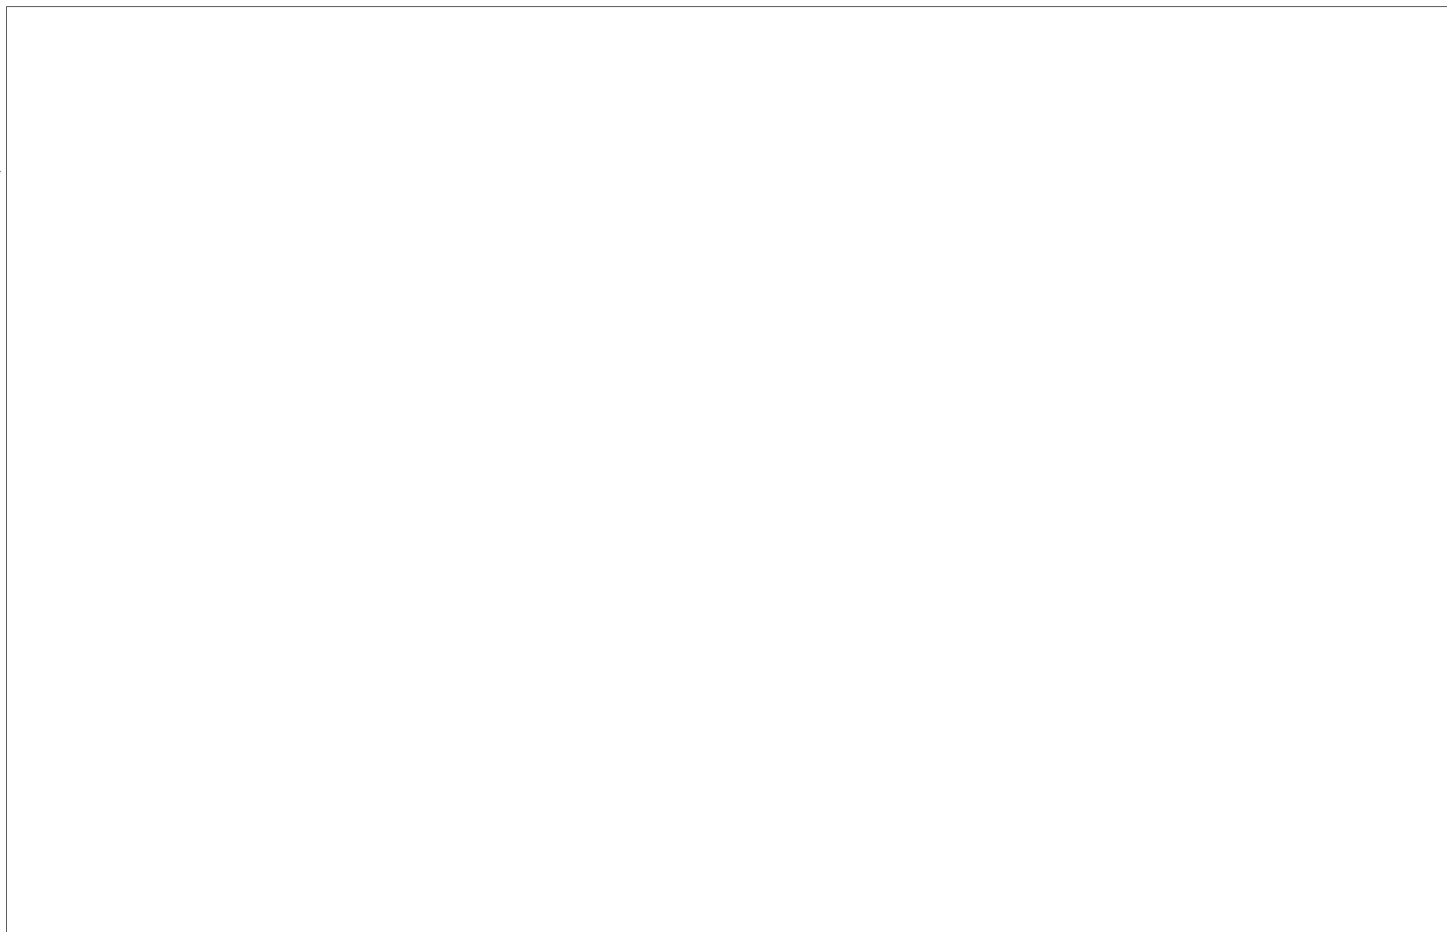

Raj

Cheryl,

I called just now to discuss a last-minute (I believe rob g wants to get the budget done today) budget item re global health.

B5

I am getting on a flight shortly. Margie/rob and mike know the details here in case you have any questions.

Raj
