

RELEASE IN PART  
B5

**From:** Mills, Cheryl D <MillsCD@state.gov>  
**Sent:** Thursday, May 19, 2011 8:42 PM  
**To:** H  
**Subject:** FW: Tanzania (from Cindy)

FYI – in short:

1. We're not funding the road through Serengeti and neither are other donors
2. We sent tps to our desk for inclusion on potus briefer for ireland

**Subject:** RE: Another request for you

Am at my desk

- Road through the Serengeti is an idea of the GoT,
- MCC is supporting a number of roads: in north connecting TZ and a port in Kenya, and in south connecting southern breadbasket with TZ ports. The southern network is a consortium of donors USG, Japanese and someone else. (Of course there are other road projects too!)

We sent earlier TPs through the Ireland desk but have no idea if they made them
