Subject: RE: Ignatius today

Tom and PIR and Cheryl and I have all talked this through. We are building a broader strategy, but a sitdown with Ignatius is actually a good idea.

This is one area where our follow-through has been solid, as Tom's note indicates.

Subject: Ignatius today

His column takes a hard hit against State for lack of follow through in general and specifically the "civilian surge" in Afghanistan, using an unidentified General who is irate we claims we have no civilians outside Kabul.
