Subject: Syrian forces kill 3 women near Baniyas-activist (Reuters)

AMMAN (Reuters) - Syrian forces shot dead three women on Saturday who were marching in an all-women protest near the besieged city of Baniyas, a human rights campaigner said.

The women had joined a small demonstration on the main costal highway from Marqab, an adjacent village to Baniyas.

Their bodies were taken to the Bir Society hospital inside a Sunni district of Baniyas, said the rights campaigner, who is in contact with residents.
