Subject: really smart Rhodes scholar

B6

Jake and Cheryl,

I'm attaching the cv of a very talent young woman who is currently finishing her D.Phil on a Rhodes scholarship (she is the one who wrote a very smart analysis of Cyprus that I sent you a while back). As people may be shifting jobs, or starting new ones (Rick Barlett?), she's a real talent. I think she'd come to work pretty much whenever you need her.

Best,  
AM
