Subject: Dr. Brzenski

Brzenski was very critical of Iran policy this morning on Morning Joe including calling the plot a sting operation that basically isn't worth discussing and is taking eye off the ball. He said we should be focused, as Graharn Allison suggested in his oped on taking the 20% opening, on engaging with Iran. We could offer Zbig a briefing but wanted to know where relationship was and if this would be useful. Thanks.
