Importance: High

Jake,

Per my conversation with Marc at midnight local:

The Pakistani Defense Committee (civ-mil leadership) concluded its emergency meeting, called to discuss responses to the November 27 Mohmand Border Incident. The MFA desk officer called to inform us of two decisions:

First, that Pakistan will not attend the Bonn Conference.

Second, Foreign Minister Khar urgently requests to speak with the Secretary to explain that decision, as soon as possible.

Khar is travelling by car to Lahore. Her cell phone number is:

B6

Embassy POC if needed is political counselor Jonathan Pratt cell number:

B6

Thanks --

Cameron

[Additional information: according to press reports, the Pakistanis have demanded that we shut Shamsi air base right away. They have also closed Torkham gate to NATO supply traffic. All senior mil-mil ties (upcoming visits, including scheduled for tomorrow) have been postponed. More when we have it.]
